About us

RK Builders

RK Builders started its journey in construction and land development in the year 2002. Ever since, the company has growth from strength to strength. Today, RK Builders stands as a trusted name in Bhiwandi's construction industry with numerous successful project behind them.

The success mantra that we have adopted over the years has been "Value for money" backed by a highly futuristic vision. RK Builder has delivered to customer requirements at reasonable and realistic prices.

During the term, we have successfully completed 5 commercial as well as residential projects. While doing so, the company has completed 50 lacs sq. ft. of construction.

Sumit Mhatre Group

Since 2002, we have been the voice of the warehousing construction industry in Bhiwandi.

Bhiwandi is an acknowledged world leader in warehousing construction, and we are widely recognized for our technological "know-how", and well respected for the quality we build.

The name of company is built on a vision and commitment; a vision of a strong and positive role for the warehousing industry, and a commitment to support the business success of our members and their ability to provide affordability, quality and choice for consumers.

A building is much more than mere arrangement of wall covering empty space. It is reflection of any cities commerce and work culture.

The RK LOGI World is a dream project that is very well placed to operate in a world of seamless time zones, borderless markets and a quick-responce work ethic.

We have left no stone unturned and gathered finest and best minds of the industry to pool in their creative n technical expertise. The result is excellence with class of its own.

A NEW CORPORATE LANDMARK WITH SIGNATURE WAREHOUSES

RK LOGI WORLD

PLACE TO PROSPER

The RK Logi World is the culmination of excellence that blends technology and design aesthetics brilliantly. One of our most ambitious projects so far, The RK Logi World is every inch as functional as it is beautiful.

A stately PEB Building sits leisurely on one of the busiest roads of Thane-Nashik. Delightfully designed landscapes add to the grandeur of the structure making it soothing and refreshing.

The glass facades allow for bright and refreshing daylight in the warehouses, throughout. The energy efficient, resource efficient and pragmatic square design of the building makes a strong architectural statement signifying sturdiness.
